

Transforming Rural Landscapes

Dear reader,

We warmly invite you to join the public session of the international Transforming Rural Landscapes (TRL) project. On **Monday, September 22nd**, we'll gather at Ellivuori resort, Vammala, Finland for an inspiring afternoon of exchange, featuring presentations and a hands-on workshop.

The TRL project brings together three Local Action Groups (LAGs) from the [LEADER network](#) and international coordination partner [Rural Radicals](#).

- Kansainvälisten asioiden päällikkö/Aktiivinen Pohjois-Satakunta ry, Finland
- Joutsenten Reitti, Finland
- LEADER Oost-Groningen en Blauwestad, The Netherlands
- Somes Nadas, Romania
- Rural Radicals, The Netherlands

Together, we are exploring how rural areas can be revitalized through creative, sustainable, and community-driven initiatives.

At the heart of this exchange lies a shared ambition: to breathe new life into empty buildings, turning them into vibrant creative spaces, and to strengthen the connections between urban and rural communities. On the 22nd we would like to invite you to join us in the quest and work on these pioneering topics.
